Faexing:

The act of trying to fix something, and failing, but now it is broken in a new, different, beautiful way, so there's no need to try to fix it anymore (or we're too scared of what might happen if we try to fix it again).

Faery Songs (lyrics)

Dear friend, Queer friend

Dear friend, queer friend
Let me tell you how I feel
You have given me such pleasure
I love you so

It's a blessing you are born

It's a blessing you are born
And it matters what you do
What you know about love
Is a piece of the truth
Let the beauty you know
Be what you do
And you don't have to do it alone

We all come from the Goddess

We all come from the Goddess
And to her we shall return
Like a drop of rain
Flowing to the ocean

We are the flow

We are the flow, we are the ebb
We are the weavers, we are the web

I am the mountain

I am the mountain
I am the trees
I am the heartbeat of this land
Running free
I am the ocean
I am the sea

I am the dancing desert sand
Running free
Hey hey ho, oh no no (x3)
Hey Hey ho

Evening rises, spirits comes

Evening rises, spirits comes,
Sun goes down when the day is done
Mother Earth awakens me,
With the heartbeat of the sea

I'm a tower of strength

I am a tower of strength
Within and withou
I am a tower of strength
Bis

All of my burdens fall from my shoulders
All anxieties slip from my mind
Bis

May all my shackles be loosened
May all my shackles be loose, yeah yeah
Bis

What's for diner mom?
